Certificate of Registration

Pursuant to its application on file with Transport Canada, to the Transportation of Dangerous Goods Regulations, and to subparagraphs 13.3 and 18.1.19 of National Standard of Canada CAN/CGSB-43.147-2005, Construction, Modification, Qualification, Maintenance, and Selection and Use of Means of Containment for the Handling, Offering for Transport, or Transporting of Dangerous Goods by Rail,

Columbiana Boiler Company, LLC
200 W. Railroad Street
Columbiana, OH 44408-1281
USA

is granted this Certificate of Registration as a manufacturer of ton containers subject to the following conditions:

- 1) The design, manufacture and inspection shall be in accordance with:
 - a) the applicable requirements of Standard CAN/CGSB-43.147-2005, and
 - b) the specific manufacturing, quality assurance and inspection procedures on file with the Director, Regulatory Affairs Branch;
- 2) The ton containers shall be in accordance with the designs corresponding to the drawings listed in the attached Appendix A, which are on file with the Director, Regulatory Affairs Branch;
- 3) The manufacturer's registered mark is "CBCO"; and
- 4) No later than twenty days after any change occurs in the information on file with Transport Canada supporting the manufacturer's registration, the applicant shall advise the Director, Regulatory Affairs Branch of any such change.

This Certificate of Registration shall expire on the date shown below unless revoked earlier. The Director may revoke this Certificate of Registration if the Director is satisfied that the facility is not capable of or is not complying with the applicable requirements.

Dated: **31 August 2009**
Expiry Date: **30 September 2012**
Certificate Number: **4067-32-15-2-11B**

Signature: 
Jacques Savard, Director
